

# Forecast Service Changes

## 7-day In-brief Forecasts

The Australian Government has provided funding to roll-out the NexGen Forecast & Warning System (NexGen FWS) to upgrade the operational forecasting systems in each State. The NexGen FWS will enable the Bureau to provide more meaningful and detailed forecast services to the Australian community.

7-day in-brief forecasts for selected locations in each State

Forecasts updated twice daily, early morning & late afternoon

Swan Hill Issued at 5:00 am EDT on 27 Monday October 2008
