

CORRIGENDA

In issue Number 11, December 1955, of this Magazine:

P.8, line 5, between "following" and "was" insert "the development of persistent high pressure over northwest Europe".

P.53, last sentence under fig. 2 to read "Forrest is station number 646, position $30^{\circ} 51' S$, $128^{\circ} 06' E$ ".

P.56. In fig. 9 on the abscissa "6" should read "8" for the day 18-1-55 (as in fig. 8).

P.58. Fig. 12 has been printed on its side.

P.60. "Fig. 15. Anemograph traces at Kalgoorlie, showing some nocturnal wind changes" is reproduced below.
