

The Australian Community Climate Earth System Simulator (ACCESS) - Challenges & Opportunities

The 18th Annual Bureau of Meteorology Research Centre (BMRC) Modelling Workshop

Bureau of Meteorology

700 Collins Street, Melbourne

28 November - 1 December 2006

A number of prominent scientists and experts from overseas, as well as the Bureau, CSIRO, and Australian universities, have been invited to give presentations on ACCESS and Earth System Modelling for research and operational purposes.

Workshop themes:

- **Earth System Modelling: Scientific and Infrastructure Issues**
- **NWP, including Data Assimilation and Ensembles**
- **Coupled Modelling and Climate Impacts**
- **Future Directions**

Invited speakers include:

John Dunne (GFDL)

Sophie Valcke (CERFACS)

Roy Kershaw (Met Office)

Andrew Lorenc (Met Office)

Vicky Pope (Met Office)

If you plan to attend, or for more information contact Val Jemmeson (v.jemmeson@bom.gov.au)
