Total				33.0	47.1																

Temperature, humidity, wind and rainfall observations are from Aireys Inlet (station 090180). Cloud observations are from Cape Otway Lighthouse (station 090015). Evaporation observations are from Geelong Salines (Moolap) (station 087023). Pressure observations are from Grovedale (Geelong Airport) (station 087163). Geelong Airport is several kilometres northeast of Aireys Inlet, so the pressure will sometimes be different.
