Total				86.0	31.8	138.1															

Temperature, humidity, wind, cloud and rainfall observations are from Bridport (Sea View Villas) (station 091284). Evaporation and sunshine observations are from Scottsdale (West Minstone Road) (station 091219). Pressure observations are from Low Head (station 091293)

Scottsdale is inland from Bridport, so evaporation and sunshine will be different; these figures are included as a guide only. Low Head is 30 kilometres to the west of Bridport, so the pressure will sometimes be markedly different.
