Total			61.1																	

Temperature, humidity, wind, pressure and rainfall observations are from Launceston (Ti Tree Bend) (station 091237). Cloud observations are from Launceston Airport (station 091311)

Conditions at Launceston Airport may be markedly different to those in the city on some days. Some cloud observations are from automated equipment; these are somewhat different to those made by a human observer and may not appear every day.
