Total				0.0		369.3															

Temperature, humidity, wind, pressure, cloud and rainfall observations are from Pearce RAAF (station 009053). Sunshine observations are from Perth Airport (station 009021)

The mean sea level pressure at Perth Airport is provided for convenience. On most occasions it will be within 1 hPa of that at Pearce. Some cloud observations are from automated equipment; these are somewhat different to those made by a human observer and may not appear every day.
