Total				29.0	46.6	105.4															

Temperature, humidity, wind, pressure and rainfall observations are from Viewbank (station 086068). Cloud, evaporation and sunshine observations are from Melbourne Airport (station 086282)

This same data is also available under the location name "Watsonia". Some cloud observations are from automated equipment; these are somewhat different to those made by a human observer and may not appear every day.
