	Mean														1018.2						
	Lowest														997.3						
	Highest														1029.4						
	Total																				

Temperature, humidity, wind, cloud, evaporation, sunshine and rainfall observations are from Lake Leake (Elizabeth River) (station 092019). Pressure observations are from Swansea (Francis Street) (station 092148).
Swansea is about 30 kilometres to the southeast of Lake Leake, so sometimes the pressure will be markedly different.
