YAPPAR RIVER								WANDERBURY		

NOTE: Rainfall amounts above 1 mm are reported to the nearest millimetre. Amounts below 1 mm are reported in tenths of a millimetre, and are read to the nearest 0.2 mm. If recorded rainfall is for a period greater than bulletin period the value is followed by a "/" and a period in days. For example "32 / 3" indicates 32 mm has fallen over a period of three days; "0.6 / 2" indicates 0.6 mm has fallen over two days. Stations with no rainfall indicated, have not reported. An "x" means a station has reported but there was no rainfall. The above rainfall is subject to later verification.
