NOTE:1. Rainfall is in millimetres for 24 hour period to 9am on the date indicated.  
 2. Stations marked with \* are automatic stations and have not been verified.  
 3. TM= Telephone Telemetry AL= Radio Telemetry AWS= Automatic Weather Station SYN= Synoptic  
 4. This product includes data made available to the Bureau by other agencies.  
 Separate approval may be required to use the data for other purposes.  
 5. Rainfall may be shown as amount/n where n is the number of days over which the amount was recorded.  
 6. Rainfall marked with # is alternatively sourced from SYNOP observations.—
