1. The following selection process terms are drawn from the Commonwealth Procurement Guidelines (January 2005).

Open Tender: A request for tender was published inviting all consultants that satisfied the conditions of participation to submit tenders.

Select Tender: A select number of consultants were invited to submit offers.

Direct Sourcing: The enquiry was confined to a single consultant under the conditions for direct sourcing described in the mandatory procurement procedures.

Panel: The consultant was chosen from a panel of pre-qualified consultants selected through a separate procurement process.

2. The justification for the decision to engage a consultant are as follows:

- A. Skills currently unavailable within the Bureau of Meteorology.
- B. Need for specialised or professional skills not generally existing in the Bureau of Meteorology.
- C. Need for independent research or assessment.
