| Total                                                  |     |       | 0.0  |      |      |       |               |       |       |      |         |      |      |     |        |         |      |     |      |      |        |

Observations were drawn from Ceduna AMO {station 018012}

Some cloud observations are from automated equipment; these are somewhat different to those made by a human observer and may not appear every day.
