| Total   |     |       |      | 6.2  |      |     |               |      |       |      |    |         |      |      |        |      |    |         |      |      |        |

Observations were drawn from Coober Pedy Airport (station 016090)

Some cloud observations are from automated equipment; these are somewhat different to those made by a human observer and may not appear every day.
