| Total                                             |     |       |      | 13.6 |      |     |               |      |       |      |    |         |      |      |        |      |    |         |      |      |        |

Observations were drawn from Kennako/Cape Grim (station 091331)

Some cloud observations are from automated equipment; these are somewhat different to those made by a human observer and may not appear every day.
